Lemon Ginger Oral Laxative

- **Special fire fighting procedures:** No special measures are required.

6 Spill or Leak Procedures

Steps to take in case product is released or spilled

If contact can be avoided, there are no health effects expected from cleaning up this product. There are no special requirements. Use water to clean up and rinse.

7 Handling and Storage

• Handling

Avoid breathing fumes, gas, mist, vapors, or spray.
Avoid prolonged or repeated exposure.

• Storage

- Keep container tightly closed.
- Store at normal room temperature and out of reach of children.
- Avoid freezing.
- Use older containers first.

8 Exposure Controls / Personal Protection

• Personal protective equipment

For limited exposure use an N95 dust mask. For prolonged exposure, use an air-purifying respirator with high efficiency particulate air (HEPA) filters. Follow the OSHA respirator regulations found in 29 CFR 1910.134 or European Standard EN 149. Use a NIOSH / MSHA- or European Standard EN 149-approved respirator if exposure limits are exceeded or if symptoms are experienced.

- Wear safety glasses.
- Wear rubber gloves.

9 Physical and Chemical Properties

Physical form: Liquid

Appearance: Clear, water-like

Color: Colorless

Odor: Lemon

Taste: Lemon ginger

pH: 4.4 to 5.2

10 Stability and Reactivity

- The product is stable.
- The product has no known dangerous decomposition products or reactions.

11 Toxicological Information

There are no acute or chronic toxic effects expected when the product is used according to directions. LD50 (rat) = 8290 mg / kg.

12 Ecological Information

SAFETY DATA SHEET

Printed 10 August 2018

Reviewed in March 2016

Lemon Ginger Oral Laxative

There are no ecological or special considerations when used according to directions. The product is not environmentally harmful with normal dilution, expected use, and typical drainage to sewers, septic systems, and treatment plants.
